Dear Texas State officials,

In follow-up to our conversations earlier this month, attached for your use are communications materials on EPA's *Retrospective Case Study in Wise County, TX* (being released today). These include overarching messages for the five case studies, top line messages for the Wise County case study, and fact sheet. Please note that only the fact sheet will be publicly available, and the other material is for your use only.

If you have any questions please contact:
Dayna Gibbons, Communications – (202) 564-7983
